CORE COMPETENCIES

Logistics & Delivery NAICS 492110 · 484110

Courier, express delivery, and local freight trucking for government agencies, medical facilities, legal firms, and commercial clients. Same-day document runs and scheduled LTL freight, with vetted drivers and same-day confirmation on every job.

Technology & Information NAICS 518210 · 541511

Web administration, data parsing, and AI implementation — CMS management, database pipelines, and custom AI tools that reduce manual work. Includes Section 508 compliance support and accessibility reconfiguration for organizations pursuing or retaining government contracts.

Design & Creative NAICS 541430

Corporate identity, proposal graphics, capability statement layouts, signage, print collateral, and digital assets — brand kits, government proposal covers, marketing one-pagers, and social media graphics.

Consulting & Strategy NAICS 541613 · 541930

Marketing strategy and AI consulting — acquisition funnel analysis, campaign frameworks, AI-driven automation for sales and outreach, and bilingual (English/Spanish) language services.

DIFFERENTIATORS

- * SAM-registered small business — 100% Minority-Owned (Hispanic-Owned)
- * Principal directly involved in every engagement — no layers, no subcontractor runaround
- * Bilingual operations — English & Español, serving diverse communities and agencies
- * Same-day documentation — capability statement, W-9, and registration verification available on request
- * Multi-disciplinary capability under one roof — logistics, technology, design, and consulting — simplifies teaming and reduces vendor count for primes

PAST PERFORMANCE & TEAMING

Jumbled Concepts Group LLC is a newly registered small business actively building its federal and prime-contractor track record. We bring full operational readiness from day one — current registrations, same-day documentation, and direct principal engagement on every contract — without the overhead or turnover of larger firms. We are actively seeking subcontracting and teaming opportunities across all listed NAICS codes and service categories.
